**BELLA** is a gorgeous chestnut TB mare with plenty of chrome. She is especially suitable for the **Children's or Adult Amateur hunters and equitation rings up to 3'**. A perfect type for the re-emerging show-ring interest in thoroughbreds, this lovely and versatile mare has been successful in multiple disciplines. She is sweet, a good mover, has automatic lead changes and a lovely jump.

A well-mannered lady who is a pleasure to handle, she can rock whatever design you bodyclip onto her flank like a supermodel working the runway.
